1.	Deputy Chief, OD&E Attn: Mr. [REDACTED]				Mr. [REDACTED] At a recent meeting to evaluate our material from [REDACTED] you mentioned a personal interest in the UFO phenomena. As you may recall, I mentioned my own interest in the subject as well as the fact that DCD had been receiving UFO related material from many of our SET sources who are presently conducting related research. These scientists include some who have been associated with the Agency for years and whose credentials remove them from the "nut" variety. The attached material came to my attention through these sources and it appears to have some legitimate FI or community interest potential. The [REDACTED] work being carried out by Dr. [REDACTED] should, in the view of our SET sources, be evaluated by the Agency or community. In view of the expertise associated with your office, as well as your interest in the subject, I felt you might like to see the material. [If you need additional information or if you feel there is some potential, I would be glad to discuss this with you. If not, please feel free to destroy the material.]
